....

2. You tell your friend that you have a problem with the meaning of some English words .

....

3. You express your feeling when you succeeded.

....

3. Read the following, then answer the questions :

I used to go to a certain place for our summer holiday. Our family always took a bus there, which took about two hours to arrive. There are many simple hotels and a lot of different restaurants, cafés and shops to get what we need.

Once I wanted to change this. Two days before the holiday, I was reading a newspaper. I saw an advertisement about another place to spend our summer holiday. The pictures of scenes were wonderful, so

I told my father, mother and two brothers about it. We travelled, but unfortunately we didn't enjoy our time. When we **returned** , I told my friend about it. He told me, "You should have asked about it before going". It's not like to believe everything what you see on the newspaper. So, I learned from this mistake.

a. Answer the following questions :

1. How many people are there in the writer's family ?

....

2. What made the writer change the place of their holiday ?

....

3. Why was the writer mistaken ?

....

1. You express your feeling when you saw an accident on the road.
....
2. You are certain that Nabil is at school.
....
3. Someone asks you about your problem with maths.
....

3. Read the following, then answer the questions :

I'm planning to travel to Alexandria next week, but I'm puzzled which means of transport I'll take. By myself, I travelled **there** many times. Once, I went there with four of my friends in one's car. The advantage of this, is that we could have a rest whenever we want. On the other hand, the back seat was not large enough for them to sit relaxed.

Another time I travelled by train. First of all, the time was just two hours. Besides, you can have what you need of drinks and meals whenever you want. Also, a traveller has a comfortable seat. But it's more expensive than going by bus. The bus I took once lasted for more than three hours. It rested only for about 15 minutes once through the trip.

a. Answer the following questions :

1. What are the means of transport mentioned in the passage ?
....
2. What are the advantages of travelling by train ?
....
3. How long does the bus take to Alexandria ?
....

b. Choose the correct answer from a , b , c or d :

4. You can have a rest whenever you want when you travel by ....
a. car b. boat c. train d. bus
5. The underlined word "**there**" refers to ....
a. means of transport b. the plan
c. Alexandria d. the seat

4. a. Match column (A) with column (B)

(A)	(B)

1. Offer to help your sister with her housework.

....

2. A friend suggests going swimming and you like this idea.

....

3. Advise your friend to practise sports to keep fit.

....

3. Read the following, then answer the questions :

I read an article in Al-Ahram newspaper today. I admired it so much as it tells us about a STEM student. He is interested in water. No one ignores the importance of water in our life in all fields. That student noticed that there are many problems caused by polluted water around the world. He understood that people can't stay healthy if they have to drink polluted water. He studied plants and realized that some of **them** can clean dirty water. So he found out that it could be a way to solve the problem. He developed an invention that cleans water using only plants. I'm really proud of this student. Many parts of the world would benefit from this invention. Many companies invited that genius student to help them make machines to change dirty water into clean. That's really wonderful.

a. Answer the following questions :

1. What causes a lot of problems ?

....

2. How can dirty water be cleaned ?

....

3. Why did many companies invite that genius student ?

1. You want to remind your mother to buy you a novel.

....

2. You played very hard. In contrast you didn't win. Express feeling.

....

3. Recommend to your friend to have a guidebook.

....

3. Read the following, then answer the questions :

Should we work all the time without having rest ? The answer is that we can't go on working without stopping. From time to time we need some rest and do some interesting activities. If we don't do that, we can make mistakes and our work might get worse. If we work all the time, we may lose the ability to think clearly and have no energy to go on working, so sleep is very important. **<u>It</u>** renews our energy. Sports and games are also important for the people who stay in closed offices and are not able to do exercises. Such activities as swimming and walking may give them a lot of energy, so we shouldn't waste our weekends and try to forget all about our work. We can then enjoy ourselves.

a. Answer the following questions :

1. What do we need from time to time ?

....

2. Why shouldn't we waste our weekends ?

....

3. What does the underlined pronoun "<u>It</u>" refer to ?

....

b. Choose the correct answer from a , b , c or d :
